

In the past we had established the need for teachers to pray prior to going into the classrooms to teach. **Without intention** it faded over a period of time and of course stopped.

**January 3, 2016, I am asking all teachers to assemble in the room originally designated as the prayer room ten minutes prior to the scheduled time to teach, 9:20 am Sundays, 6:50 am Wednesdays.**

The first room on the right coming downstairs. Please help the church, you and your students by praying as a unit *because God hears.*

The effectiveness of your labor will increase over time as you feel and see the benefits of asking God to teach through you and the group.

Text each other if you teach on either day to remind each other. **Don't wait until 9:30 am or 7:00 pm to start praying please.** Prepare your schedule in advance in honor of God and your integrity in the classroom.
