

“Under the Weather Report”

- Bro. Virgil Moffett is undergoing treatment for his brain injury and is in need of prayers and a lot of rest for the immediate time frame. The leadership will keep you updated as is practical to do so. Please minimize calls to Paulette and none to Virgil until further notice.
- Sis. Sheila McNair will undergo a procedure at Duke on Monday and also needs your prayers. Don't overwhelm her, but the situation is less sensitive than Bro. Virgil. Make any calls or visits short and sweet.
- George McIver, father of Sis. Laura Gipson is improving at WakeMed after suffering a stroke and Laura is rejoicing with her family, friends and you beloved.
- Help us all during these trying times by reading your email updates often and praying with intentionality!
