

# **Safety/Security Alert!**

- The side doors of the Church are being left unlocked at an alarming rate. This creates a safety as well as security issue **for us all**.
- Please remember that we have to **manually lock** the side doors each time we open them.
- If **you're** the building for any reason, please check to insure all doors are locked before leaving the premises, please turn lights off.
- If you find an unlocked door and do not have a key, please contact a classroom teacher or member of the bldg. and grounds committee.
- Thanking you in advance for your help on this **critical issue**.
- Thanks, Bros. Martin and Gipson: Building & Grounds Coords.

**Note:** Brother Martin's cell is 919-219-3668. He lives (15) minutes from the church
